Why the overtime bill keeps rising

Payroll pays approved overtime. The punches, the absences, and five people who already left tell a different story.

Six-month overtime pay

PKR 19.0 million

April to September

Up 23%

THE BILL

Overtime pay rose even where the company was not overpaying.

April

PKR 2.81 million

5,525.5 hours paid

September

PKR 3.48 million

6,418.5 hours paid

Paid vs punches

1,766.5 hours under

36,401.5 paid, 38,168 worked

Paid hours equal approved hours in every department-month. From July, most departments worked more overtime than payroll paid. The extra cost sits in a short list of approvals.

FINDING 1 · APPROVALS

23 department-months paid more than 15% above the punches.

4,574.5
extra hours in those months

1,049
extra hours in Stitching, September

PKR 3.77m
Stitching overtime, six months

Faisalabad Stitching was 23% over its punches in May and 144% over in September (1,778.5 hours paid, 729.5 worked). In April, all six SITE departments were 59% to 77% over. Action: pay the lower of approved hours and punch hours, and hold the next Stitching close until each approval matches a punch.

FINDING 2 · ATTENDANCE

Six people were absent every working day, and were still paid.

Paid to the six

PKR 2.88 million

Any month with no Present day

13 people · PKR 4.83 million

Each of the six has about 147 Absent days and no Present, On Leave, or Missing Punch day. Sundays and plant holidays are the only other rows. Action: do not pay a month with no Present day unless approved leave covers it. Stop these six salaries before the next run.

Evidence analytics/q07_pay_without_attendance.sql

FINDING 3 · LEAVERS

Five people were paid after their last day.

Umair Baloch · Human Resources

Last day worked: 23 April 2026

Payslip after that: PKR 132,000

Months still paid: May through September

Amount after leaving: PKR 660,000

All five leavers

21 payslips in months after the separation date. PKR 1.95 million. The month they left is not included. Action: the last payslip is the separation month. Close the five records and recover the pay, starting with Human Resources.

Evidence analytics/q08_pay_after_separation.sql

THIS MONTH

Three controls before the next payroll.

1

Cap overtime

Pay the lower of approved hours and punch hours. Review Faisalabad Stitching first.

2

No Present day, no pay

Hold earnings when the month has no Present day, unless approved leave is on file.

3

Close pay on the last day

The separation month is the last payslip. Recover PKR 1.95 million already paid after exit.
